Congratulations Students

Congratulations to our students who have been working towards their Learning Goals all year. Student Reports to Parents have been sent home with your child today outlining their learning success for 2014. We will also be celebrating learning success next Tuesday 16 December 2014 with our Presentation Day at 11.00am. Parents, friends and community members are most welcome to join us to acknowledge student achievement.

Reward Days

Each Stage has organised a Reward Day activity for students on Wednesday 17 December 2014. Your child’s teacher will have given you information on this event. When we start reflecting on the year that’s almost gone there have been so many exciting and rewarding experiences that we have shared!

Swim to Survive

A large group of students are currently participating in water safety lessons with Mrs Battiston who is our Austswim instructor. We are very pleased with the effort, concentration and skill our students are showing in the water after just a few lessons. We are really enjoying the water, learning about safety and becoming very tired by the afternoon!

School finishes for students on Wednesday 17 December 2014 and resumes on Wednesday 28 January 2015 for Year 1 to 6 and Monday 2 February 2015 for Kindergarten students. We hope you enjoy the summer holidays with your family and look forward to some exciting learning opportunities in 2015.
