ANZAC Day

Our school remembered the sacrifices made by servicemen and women during our school ANZAC Assembly at the end of Term 1. Many of our staff and students also represented our school at the Community ANZAC Ceremony in Nambucca Heads on ANZAC Day and School Captain Hannah Donnelly spoke very eloquently during the service.

Sportsmanship was high when our boys Softball Team played Narranga Public School last term. Our boys gave their best against a very strong opposition. So impressed were their opposing players that they emailed a message of congratulations to our team for their positive attitude and approach to their sport.

“I would like to pass on a big congratulations to your boys softball team who played against our school today. As coaches of the Narranga team we were very impressed with the attitude in which your boys played and collectively they should all feel very proud of how they represented their school. The boys were an absolute credit to your school as they gave their best and played the game in the right spirit. Sport will always have its winners and losers but your guys won us today. Well done and keep enjoying your sport.”

15 Students Return Term 3
Be On Time
Arriving on time for school is very important for every student every day.

When students arrive on time they start their day with all the information about what will happen and when. Students who miss those starting messages never quite catch up so are less sure about their learning for the rest of that day. They also miss the social opportunities that morning play time provides.

We work closely with the Home School Liaison Officer to support students and families to be at school on time every day. Late arrivals will be targeted this term so if you need assistance to have your child at school on time, please contact the school office or your child’s teacher.

Ethics Classes
Several parents have expressed an interest in establishing Ethics Classes at our school. To offer these classes we need two community members who are able to attend the Ethics Training Program in Sydney and are able to fulfil the role of coordinator or teacher on Wednesdays at 2.00pm. Please contact Mrs Bonventi if you require further information.

Please Keep the School Updated
If your contact numbers, address or circumstances have changed please advise the school office so that we are able to make contact easily should we have an emergency or need to send some good news home!

Program Term 2 2014
Kids Art Club
Coffs Harbour Regional Gallery

The Kids Art Club focuses on supporting children’s natural impulses to immerse themselves in a creative process.
In 2014 the children will be grouped in ages 5-8 year olds and 9 - 12 year olds. They will receive more individual guidance and age related challenges and activities. The children will be introduced to different techniques and materials and to drawing, painting, simple graphic processes and three dimensional work. We approach art through play, imagination and the senses.
