Principal’s Report

Cultural Awareness
Our Stage 1 and 2 students have been developing their knowledge and understanding of Aboriginal culture with weekly lessons presented by Clayton Donovan. This is part of our Cultural Awareness Program for students but it is also helping staff as Clayton cooks using local native foods and spices and tells traditional stories.

Staff Professional Learning
Staff will increase their skills and knowledge this Saturday with Professional Learning in bush medicine, bush tucker and the stories of the ‘100 acre swamp’ in the Nambucca Valley.

Aboriginal Parent & Community Meeting
Our Aboriginal Parent Meeting will be held this Thursday 29 May 2014 at 2.00pm in the School Library. All members of the school community are most welcome with our NAIDOC activity planning high on the agenda.

Speaking in Public
A large number of students have been learning how to be Public Speakers with weekly training sessions with Mrs White. We held our Speak Off yesterday to select our school representatives for the District competition. There were so many excellent speakers who had researched their topic and prepared a well structured speech that it was extremely difficult to select just four representatives. Congratulations to you all. We are looking forward to hearing more of the speeches at future assemblies.

Our Public Speakers

A Very Busy Term
Students have also been involved in simultaneous reading with students from right across the country, Boys Basketball against Frank Partridge VC Public School, Fire Safety training with our local Fire Brigade Officers, the Netball Gala Day, the P&C Disco and Surf Awareness on Main Beach.

I think everyone has had at least one special event in the last few weeks – no

Just Another Ordinary Day by Rod Clement
I liked this book because there is a lot of imagination. My favourite part was when she flew to school. I like her school because it has a drop bridge and I liked her lunch table. The pictures were interesting.
